

Board of Directors

Kristin Muchow, Jim C. Walker, Jody B. Olson, Chase Erkins, Tiam Rastegar

The January 19, 2023, District Board meeting is null and void, and any action taken was reversed at the February 27, 2023, meeting. The agenda was not duly posted on the District's website in advance of the January meeting, and thus an Open Meeting Violation occurred. This was remedied per statute at the February 27 meeting. The January meeting in essence did not take place.
